

Fae Arabella V. Jordan

Calamba, Laguna | 09936477699 | jordanfaearabella@gmail.com

EDUCATION

Cavite State University

Bachelor of Science in Computer Science

• Cum Laude

Carmona, Cavite

September 2024

WORK EXPERIENCE

Switch Connect Pty Ltd Corporation

Junior Web Developer

Sta. Rosa, Laguna

September 2024 – June 2025

- Collaborated with designers to turn wireframes into responsive and dynamic web interfaces using Vue.js, Sass, Bootstrap, and JavaScript.
- Developed and validated backend functions to accurately handle data saving and retrieval using GraphQL queries/mutations, with validation applied both on the frontend (Vue.js) and backend (PHP/Laravel).
- Contributed to internal systems, client websites, and company portfolio projects, improving system reliability and helping attract new clients.
- Contributed to faster project completion by maintaining clean, modular code and supporting team workflows.

Philippians Marketing Corporation

Backend Web Developer - Intern

Dasmariñas, Cavite

August 2023 - September 2023

- Planned and developed a company-exclusive website using the TALL stack (Tailwind, Alpine, Laravel, Livewire).
- Created comprehensive database schema utilizing draw.io, increasing project productivity and ensuring on-time delivery.
- Collaborated with frontend developers and other team members to integrate user interfaces with backend logic, ensuring seamless functionality and an optimal user experience.
- Enhanced project maintainability and knowledge sharing through comprehensive technical documentation.
